*Square & Round Dancers, Callers, Cuers, WASCA's Club Presidents & Delegates,*

*We are seeking your help at this time in planning for participation at the NBC 4 Health & Fitness Expo 2009 from WASCA's Clubs. WASCA has been participating at this Event for about the past 10 years and it has been a win-win situation for all those that have attended. Volunteer Dancers are needed to dance in front of an audience and possibly the NBC Cameras. Bring your WASCA Club Banner for recognition. We also need volunteer callers and cuers. Attendees can have hundreds of dollars worth of medical testing done FREE. The latest health and fitness information and a variety of experts and fitness fun from golf to aerobics are all under one roof--there is definitely something for everyone!*

*Would your Club and/or your caller and/or cuer and/or individual dancers volunteer to fill some of our time slots on either Saturday or Sunday? We do not know when the assignment of times for which activity will be assigned and we won't know until sometime in December. However, we have 2 hours each day on Saturday and Sunday for Square Dancing and 1 hour each day for cueing. We also have requested 1 hour each day for clogging and Kathy Moore is coordinating the activity for WASCA's Clogging Clubs.*

*Please let me know if your Club, or any of your individual dancers and/or Caller/Cuer is interested in participating in this event. We are putting this opportunity to showcase our beloved activity out to anyone and everyone in the WASCA Community. You can get a copy of the flyer for this event from the website <http://www.wascaclubs.com/pages/wasca-events-calendar.php> and clicking on "2009 Expo Flyer". This flyer will provide more information and directions to this Event. If you have any additional questions or want more information, please contact me. If you get any volunteer dancers or caller/cuer, please send me their contact information so I can plan/coordinate WASCA's participation in this event.*
